

2021 Quail Hollow Farm Pygora Goat Buck Service Contract

General Information:

Quail Hollow Farm Buck Service Fees are \$125.00 per Doe. We require the Buck Service Fees to be paid on the day of the doe's arrival and are non-refundable. Cash, Venmo, Zelle, or PayPal only.

Quail Hollow Farm will be open for Breeding by Appointment Only.

The daily boarding fee is \$2.00 per doe. This begins the day the Doe arrives and ends on the day she leaves. This will be paid in full on the day of the doe being picked up, cash only.

Buck Service is available to any Registered Doe recorded with the Pygora Breeders Association (PBA). You must provide proof of the Doe's registration prior to breeding. (A photocopy of her registration papers must be provided)

Health:

All Does must present documentation of negative testing of Johnne's, CAE & CL within the last three months.

All Does arriving at Quail Hollow Farm will undergo a Health Exam to check for any signs of disease or parasites.

All does may be quarantined upon their arrival at Quail Hollow Farm for a period of 48-72 hours.

At anytime that a Doe exhibits any signs of illness or disease, she will be sent home. We reserve the right to refuse service to any Doe that does not pass the health check or conform to the Breeding Standard of the PBA.

The Owner of the Doe must sign a release form for any Veterinary Service that may be required and must assume all costs for any tests, cultures, medication or any other veterinary services should they arise.

Doe Owner Guarantees:

The Doe is disease free.

The Doe being bred is registered and copies of her papers are provided. Her tattoo numbers will be verified after her health check at Quail Hollow Farm.

Buck Owner Guarantees:

In the event the doe comes back into heat within 60 days or the doe has been checked by a licensed Veterinarian, and documentation of no pregnancy is provided, Quail Hollow Farm agrees to provide one repeat breeding service at the does next heat cycle within 12 months of the original service date. The 60 days begins the day the doe leaves Quail Hollow Farm. If you choose to rebreed, no buck service fee will be required, but the weekly boarding fee will apply. If the second breeding is unsuccessful any subsequent breeding must provide documentation from the Doe's Veterinarian stating there are not any issues to preclude her from getting pregnant, at that time a third and final breeding to the same buck would be offered.

Name of Doe:

PBA Registration Number (and Papers Provided):

Laboratory Report for Johnnes, CAE & CL dated within the last three months:

Medical Release

I, _____, give permission for David and/or Erica and/or Lindsay and/or Allison Brown to obtain medical treatment for the above listed doe. I, will assume all costs incurred for any laboratory tests, cultures, medication or any other medical services provided. My emergency contact number is:

Signed By _____
On this date _____

We are not responsible for loss due to a natural disaster, predation, or sudden death or for the cost of any necropsy. We will replace any goat with a kid from the next springs kidding season.

Contract updated: 08/06/2021

As of August 6, 2021 we will offer a 10% Future Farmers of America (FFA) and 4H Discount to the Breeding Fee to HMR Lassiter only for 2021 Fall Breeding Season.

No discounts to the Boarding Fee, as we can't change the cost of the feed and hay. Thank you
